22) It was my intention not knowing that the loan would be closed on the 12 Oct to submit the explanation and a draft together as I was under the impression that there was time till 31 Oct; but the order about the closing of the loan on 12 Oct came as a surprise and I made some attempts subsequently to get the amount in Section 3 merged in the 7 percent loan but without success. I regret that the amount has not been included in the loan.

23) The H Sec States that for a trust investment a long dated security is preferable and that it would be well to invest the sum in Section 3 in 6½ percent 20-30 year bonds.

24) May an order be issued accordingly?

Rec 21-20-186

Respected Sir,

I, the undersigned Peer Zada Syed Mohammad Vajeehuddeen Shuttary, Manager of Nabi Sha Makkan otherwise known as Attavulla Sha Saheb Durga, Lal Bagh Road, Bangalore City, most respectfully beg to submit the following to your Honor's kind consideration and favourable as well as early orders.

I beg to submit that this unfortunate Makkan was enjoying a number of inamthies and lands which were very graciously granted to it. Since 1877, the Makkan is, in one way or the other, becoming poor as the City Municipality has been acquiring the lands belonging to the Makkan, for the sake of Model Farms, Lal Bagh Extension, Hindu Burrial Ground &c., Further even the compensations for the lands acquired have not been favoured to the benefit of the Makkan in spite of repeated prayers made to all the Authorities concerned. It is also heard that in connection with this a sum of Rs.1,936/- has been sanctioned and held by the Government.

I further beg to add that once again for the extension of the Lal Bagh North Gate, the Inamthi Land of the Makkan was acquired and a nominal sum of Rs.985/- was awarded and added to the above sum or probably kept in the Muzrai Department. Then again for the sake of

Harding Extension an another portion of the Inamthi land was acquired and for which it seems that a sum of Rs.1743/- or thereabouts has been awarded. As per these details - a sum of Rs.4,664/- or so is due to the Makkan by the Government, and also the land at Bamboobazar awarded at Rs.3,000/ so in all Rs.7,664/-.

I respectfully beg leave to submit that it is with the most charitable and philonthrapic views that the - Benign Government and His Highness The Maharaja have very graciously, from time immemorial granted, Inamthies, cash endowments and such other gifts to the Makkans and the - institutions of the kind for their up keep, but now to the great misfortune, those very gifts are snatched away even without giving the ordinary compensation amounts to the Makkan just to keep its name in the least in existence.

I may also be permitted to submit, that the applications, submited to the authorities concerned in times without number have all fallen on the deaf ears without bringing any kind of reply hitherto. Further it is also very respectfully submitted to kindly consider whether it - could be possible to run an institution of the kind without any proper and adequate income in these hard days in the interests of the Islam, for the sake of which Inamthies Grants &c., were being very liberally granted.

I beg to state that many a time it was asked by the Government to select some other lands in exchange, which was also done, but with no result except silence in the matter. Of late the value of the landed properties have gone very high, so to say that even the above mentioned sum of award could not fetch even 1 or two acres.

I now respectfully beg to submit that the condition of the Makkan regarding its financial position is not possible to explain consistent with its prestige. It is high time that the Government with its usual kindness and generosity should come out with their benign help to the Makkan in the best interests of the Islam. The Makkan has suffered very seriously and unjustly too to a very great extent.

I therefore beg to request that the amount now with the Government belonging to the Makkan may be ordered to be paid to the Makkan with the usual rate of interest up to the date of payment and thus save the institution of the religion long established and enjoying the gifts from time immemorial.

I beg to subscribe myself
Yours most obediently,

محمد وصی الدین نقاش
